Dear Mr. Davis:

This letter is in response to your letter dated October 19, 1994 referencing the Democratic Senatorial Campaign Committee's June 1994, July 1994, and August 1994 FEC reports.

The DSCC has amended and filed with the FEC the summary pages of the above-mentioned reports. We have removed our operating expenditures from Line 21(a)(i) and reported them on Line 21(b) as recommended and will continue to report our operating expenditures on Line 21(b). Copies of the amended reports are attached for your convenience.

In regards to occupational information, the DSCC uses best efforts to obtain this information. On a monthly basis, the DSCC mails Contributor Information letters to all contributors for the current year whose occupation/employer fields are empty in our database. Upon receipt of the completed letters from the contributors, our database is updated. The DSCC files with each FEC report an Addendum, which is a report of contributor information received during the current period in response to the DSCC's inquiry for additional information. This Addendum is filed with each FEC report and can be found at the end of each report. A sample copy of our Contributor Information letter is attached along with a sample page of the Addendum we file with each FEC report.

Should you have any further questions, please do not hesitate to contact the Comptroller's office at (202) 224-2447.

Sincerely,

Donald J. Foley
Executive Director
